## Intimate Escapes Elopement Packages

Our intimate escape elopement packages are ideal for small ceremonies, offering a truly unique experience, the one of a kind ceremony area is surrounded by water fountains, flowering trees, perennials and giant boulders giving you the ambience of the Canadian rockies. The timber frame open air altar and tunnel entrance provides covered spaces in case of rain, and adequate room for social distancing. We offer many different options to enhance your experience and we do our best as venue owners to work with you to help create memories you will cherish and remember.
